

The Future of the American Negro by Booker T. Washington

Read by Kirk Ziegler. Total running time: 04:12:29

In *The Future of the American Negro*, Booker T. Washington outlines the history of the enslavement of African Americans and their subsequent freedom from slavery, and then proceeds to express the importance of education to their future success. Some portions of this 1899 book had previously appeared in articles Washington had written for *The Atlantic Monthly* and *Popular Science Monthly*.
